Are you looking for a meaningful job in the Marine Tourism Industry?

Would you like a career that is both challenging and adventurous?

Westwind has pioneered world class wilderness fishing and cruising trips, utilizing their meticulously restored tugboats to provide comfort, quality and safety on the Inside Passage since 1974. If you are a career minded professional who excels in hospitality and guest services and is interested in being part of a dynamic team then Westwind is looking for you.

Positions:

Captain: This leadership role requires a 150 Ton Ticket, north coast and inside waters experience is an asset. This position utilizes real seamanship skills combined with resort management experience and solid mechanical skills. A background in sport or commercial fishing is also a benefit.

Chef: Professionally trained, self motivated Chef experienced in all aspects of fine dining, baking, desserts, sauces brunch etc. Experience at ordering, storing and planning for remote locations an asset.

Hostess: a career minded professional who excels in hospitality and guest services. Good organizational skills, maid experience and restaurant hostess experience an asset.

Fishing Guide: An energized professional focused on the guest's experience. Strong interpersonal skills and saltwater guiding experience required. A demonstrated proficiency in both Salmon and Halibut fishing is an asset. Mechanical and maintenance skills an asset. Certificates required are SVOP, MED-3, First-Aid and Radio operator's license.

Operating Season - Mid May to Late September. March/April/May pre season preparation work available for Capt. & guide positions
Salaries: Above Industry standards plus gratuities.
